1. The pro-Cominform (Vidali) Communist Party in Trieste and Partito Comunista Italiano (PCI: Italian Communist Party) in Italy have recently been reprimanded by Cominformists for failure sufficiently to popularize the Soviet Union. The defections of Aldo Cucchi and Valdo Magnani and subsequent defections within the Party are attributed by Cominformists to this vast delinquency.
2. The pro-Cominform (Vidali) Communist Party in Trieste is giving priority attention to a glorification of the USSR. Courses on social and political gains, activation of the "Friends of the Soviet Union" Society and lectures on Stalinism in all Party cell meetings are in progress.
